

Do you want
something
COMPLETELY
different than a
regular novel, or just
a little different?

GO
CRAZY!

Hm...maybe just
a little different

Are you
interested in
reading Non-
Fiction?

Um, no.

Sure.

How do you
feel about art
with your
stories?

**I feel great
about it.**

**Not this
time.**

Would you
rather read
something funny,
or something
enlightening?

**Make me
laugh!**

**Teach me
something!**

Do poems
bother you
at all?

Ugh, poems
make my skin
crawl.

Nope! Free
Verse is the
bomb.

Do you want
something
complex, or
beautifully simple?

Complex,
complex!

Let's try the
simplicity thing.

Do you want a type
of book you've
probably forgotten
about, or a type
you've never heard
of before?

**Blast from
the past!**

**I'll try
something new!**

Are you
sure about
this?

YES DO
IT!

NO ABORT
ABORT!
