

Do you want
something
COMPLETELY
different than a
regular novel, or just
a little different?

Are you
interested in
reading Non-
Fiction?

How do you
feel about art
with your
stories?

Would you
rather read
something funny,
or something
enlightening?

Do poems
bother you
at all?

Do you want
something
complex, or
beautifully simple?

Do you want a type
of book you've
probably forgotten
about, or a type
you've never heard
of before?

Are you
sure about
this?
